

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

### 1. Identification of the substance/mixture and of the company

#### 1.1 Product identifiers

Product name : Narco Spray Cocaine  
 Product number : MMC-NSCOC  
 Product type: Aerosol  
 Brand : MMC International

#### 1.2 Relevant identified uses of the substance or mixture

Identified uses : Presumptive substance testing

Restrictions on use: This product must not be used in applications other than those listed in Section 1 without first seeking the advice of the supplier.

#### 1.3 Details of the supplier of the safety data sheet

Company : M.M.C. International B.V.  
 Frankenthalerstraat 16-18  
 4816KA Breda  
 The Netherlands  
 Telephone : +31 76-5711140  
 Fax : +31 76-5719300  
 E-mail address : Info@mmcinter.com

#### 1.4 Emergency telephone number

Emergency Phone # : 112/911  
 National Poison Information Centre #: +31-30-2748888

### 2. Hazards identification

#### 2.1 Classification of the substance or mixture

##### GHS Classification

Flammable Aerosol: Category 1

Gases under pressure: Aerosol containing liquefied gas

##### GHS Label element

Hazard pictograms:

Signal word: Danger

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

### 2.2 Label elements

#### Hazard statement(s)

- H220 Extremely flammable gas.  
H280 Contains gas under pressure; may explode if heated.

#### Precautionary statement(s)

- P102 Keep out of reach of children.  
P210 Keep away from heat/sparks/open flames/hot surfaces. -No smoking.  
P243 Take precautionary measures against static discharge.  
P251 Pressurized container: Do not pierce or burn, even after use.

#### Response:

- P377 Leaking gas fire: Do not extinguish, unless leak can be stopped safely.  
P381 Eliminate all ignition sources if safe to do so.

#### Storage:

- P410 + P403 Protect from sunlight. Store in a well-ventilated place. Do not expose to temperatures exceeding 50°C/122°F  
+ P412

### 2.3 Other hazards

None

## 3. Composition/information on ingredients

### 3.1 Mixture:

Component	CAS-No.	Concentration
Glycerine	56815	30 – 40%
Water (distilled)	7732185	20 – 30%
LPG	68476-85-7	30 - 40%

**There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section.**

## 4. First aid measures

### 4.1 Description of first aid measures

#### General advice

Consult a physician. Show this safety data sheet to the doctor in attendance.

#### If inhaled

Remove to fresh air immediately. If not breathing, give artificial respiration. If breathing is difficult, give oxygen (To be administered by qualified medical personnel only!) Get medical attention.

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

### In case of skin contact

Flush skin with plenty of soap and water for at least 15 minutes. Remove contaminated clothing and seek medical advice.

### In case of eye contact

Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower lids. Do not allow victim to rub or keep eyes closed. Seek medical advice.

### If swallowed

Wash mouth thoroughly with plenty of water and give water or milk to drink. Do not induce vomiting. (Never give anything by mouth to an unconscious person!) Get medical attention immediately.

### 4.2 Most important symptoms and effects, both acute and delayed

May cause irritation to eyes, skin and respiratory tract. If inhaled may cause, exhaustion, shortness of breathing, loss of consciousness and asphyxiation. May cause frostbite. May cause irritation of the digestive tract. May cause gastrointestinal irritation with nausea, vomiting and diarrhea. May cause headache.

### 4.3 Indication of any immediate medical attention and special treatment needed

**Notes to physician:** No specific antidote, medical staff contacts Poisons Information Center. All treatments should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than this product may have occurred.

## 5. Firefighting measures

---

### 5.1 Extinguishing media

Suitable: Use an extinguishing agent suitable for surrounding fire.

Not Suitable: N/A

### 5.2 Special hazards arising from the substance or mixture

Thermal decomposition can lead to release of irritating and toxic fumes.

### 5.3 Advice for firefighters

Special protective equipment for fire fighters: Fire fighters should wear full protective clothing and self-contained breathing apparatus in positive pressure mode.

### 5.4 Further information

"Empty" containers may contain product residue and may be dangerous. Empty containers should be completely drained and bunged and then disposed of according to local, state, and federal regulations

## 6. Accidental release measures

---

### 6.1 Personal precautions, protective equipment and emergency procedures

Use personal protective equipment. Ventilate area of spill. Avoid contact with skin, eyes and inhalation of vapors. Remove sources of ignition (i.e. open flames, sparks).

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

### 6.2 Environmental precautions

Prevent entry into waterways, sewers, basements or other confined areas.

### 6.3 Methods and materials for containment and cleaning up

Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, vermiculite) and place in container for disposal according to local/International regulations.

## 7. Handling and storage

### 7.1 Precautions for safe handling

Handling: Avoid contact with skin and eyes. Avoid inhalation of vapor or mist. Wash thoroughly after handling. Avoid all ignition sources (heat, open flame, spark). Hygiene Measures: Eating, drinking and smoking should be prohibited in areas where this material is handled, stored and processed. Workers should wash hands and face before eating, drinking and smoking. Remove contaminated clothing and protective equipment before entering eating areas. See also section 8 for additional information measures.

### 7.2 Conditions for safe storage, including any incompatibilities

Storage: Keep container tightly closed in a dry and well-ventilated place. Store in cool place. Keep away from oxidizing agents, acids and liquefied or compressed air and oxygen. Keep away from heat, sparks, open flame or any other ignition source. "Empty" containers may contain product residue and may be dangerous. Dispose of according to local, state, and federal regulations.

### 7.3 Specific end uses: N A

## 8. Exposure controls/personal protection

### 8.1 Control parameters

#### Occupational exposure limit values:

Ingredient name	Occupational exposure limits
LPG	ACGIH-TLV 1000 PPM (TWA)
Glycerin	ACGIH-TLV 10 mg/m <sup>3</sup> (TWA), mist.

### 8.2 Exposure controls

#### Engineering Measures

Use process enclosures, local exhaust ventilation, or other engineering controls to keep airborne levels below recommended exposure limits. If user operations generate dust, fume or mist, use ventilation to keep exposure to airborne contaminants below the exposure limit.

#### Person Protective measures

Respiratory protection: Suitable respirator. Be sure to use an approved/certified or equivalent. Wear appropriate respirator when ventilation is inadequate.

Eye/face protection: Wear protective safety glasses.

Skin protection: Wear appropriate long-sleeved clothing to minimize skin contact.

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

**Hand protection:** Wear protective disposable gloves to prevent skin exposure.

**Environmental exposure controls:** Emissions from ventilation or work process equipment should be checked to ensure they comply with the requirements of environmental protection legislation. In some cases, fume scrubbers, filters or engineering modifications to the process equipment may be necessary to reduce emissions to acceptable levels.

## 9. Physical and chemical properties

---

### 9.1 Information on basic physical and chemical properties

Appearance: Aerosol

Odor: Characteristic

Odor threshold: N/A

pH: N/A

Melting point/Freezing point: N/A

Initial boiling point/boiling range: (-162)-0°C (LPG)

Flash point <(-56)°C (LPG)

Evaporation rate: N/A

Flammability in air: N/A

Upper/lower flammability or explosive limits: N/A

Vapor pressure: N/A

Vapor density: N/A

Relative Density (Air=1): N/A

Solubility(ies): N/A

Partition coefficient Octanol/Water: N/A

Auto-ignition temperature: 410-540°C (LPG)

Decomposition temperature: N/A

Viscosity: N/A

Explosive properties: N/A

Oxidizing properties: N/A

### 9.2 Other Information

N/A

## 10. Stability and reactivity

---

### 10.1 Reactivity:

No specific test data related to reactivity available for this product or its ingredients.

### 10.2 Chemical stability:

LPG is extremely flammable.

### 10.3 Possibility of hazardous reactions

Under normal conditions of storage and use, hazardous reactions will not occur.

### 10.4 Conditions to avoid

Keep away from heat, open flame and sparks.

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

### 10.5 Incompatible materials

Oxidizing agents, lead oxide, nitric acid, sulfuric acid, hydrogen peroxide, potassium permanganate, calcium hypochlorite, perchloric acid, and liquefied or compressed air and oxygen.

### 10.6 Hazardous Decomposition products

Not available

## 11. Toxicological information

---

### 11.1 Information on toxicological effects

**Acute toxicity:** N/A

**Irritation:** May cause irritation to skin, eyes and respiratory tract.

**Corrosivity:** N/A

**Sensitization:** N/A

**Repeated dose toxicity:** N/A

**Carcinogenicity:** N/A

**Mutagenicity:** N/A

**Toxicity for reproduction:** N/A

#### **Potential health effects:**

May cause irritation to eyes, skin and respiratory tract. If inhaled may cause cyanosis, exhaustion, shortness of breathing, loss of consciousness and asphyxiation. May cause frostbite. May cause irritation of the digestive tract. May cause gastrointestinal irritation with nausea, vomiting and diarrhea. May cause headache.

## 12. Ecological information

---

### 12.1 Toxicity

N/A

### 12.2 Persistence and Degradability

N/A

### 12.3 Bioaccumulative potential

N/A

### 12.4 Mobility in soil

N/A

### 12.5 Results of PBT and vPvB assessment

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

Not applicable

### 12.6 Other adverse effects

N/A

## 13. Disposal considerations

---

### 13.1 Information on disposal

#### Product

Dispose in accordance with federal, state and local environmental control regulations.

#### Packing

Empty containers should be taken for local recycling, recovery or waste disposal.

## 14. Transport information

---

### 14.1 UN Number

ADR/RID, IMDG, IATA: UN1950

### 14.2 Proper shipping name:

ADR/RID: AEROSOLS, Flammable

IMDG: AEROSOLS

IATA: Aerosols, flammable

### 14.3 Transport hazard class(es)

ADR/RID, IMDG, IATA: 2.1

### 14.4 Packing group

ADR/RID, IMDG, IATA: -

### 14.5 Environmental hazard

Marine pollutant: No

### 14.6 Other transport information

ADR/IATA: Limited quantity below gross weight of 30kg incl. packaging.

If packaged according to IATA regulation it also conforms to ADR regulation.

Under IATA regulation this item may be send under ID 8000 Consumer Commodity.

## 15. Regulatory information

---

### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

EU Directives 67/548/EEC and 1999/45/EC (including amendments)

EU Regulation (EC) No.1907/2006 (REACH)

### 15.2 Chemical Safety assessment

# M.M.C. International B.V.

## MSDS – Material Safety Data Sheet

According to 1907/2006/EG

N/A

### 16. Other information

---

#### 16.1 Risks

Using this product under normal, properly instructed procedures should not be hazardous.

#### 16.2 Further Information

The information above is believed to be accurate and represents the best information currently available to us but does not purport to be all inclusive and shall be used only as a guide. We make no warranty of merchantability or any other warranty, expressed or implied, with respect to such information, and we assume no liability resulting from its use.
